## INTRODUCTION

Dr. Megan Carter DNP, RN, NEA-BC is the President & Founder of MC Health Care Consulting LLC, home of the Chaos Whisperer Movement where she shares over 18 years of nursing and executive experience with clients & audiences across the country. She is the host of "The Chaos Whisperers of Healthcare" a weekly podcast that features real, solutions-focused conversations with healthcare leaders navigating the complexities of burnout, innovation, and leadership in today's chaotic healthcare system. Dr. Carter is an AONL Nurse Executive Fellow with a DNP in Executive Leadership from Duke University and board certified as an Advanced Nurse Executive.

## SIGNATURE PRESENTATIONS

### The Chaos Whisperer Movement Keynote

Sharing her powerful story, Dr. Carter gives audiences the inspiration and tools to view leadership in a new light: one without burnout or loss of self in the process

### Simplify To Impact Workshop

Empower busy healthcare leaders to reclaim protected time each week to focus on what matters most with proven tools, templates & practical strategies. Healing broken systems by healing leaders first.

### Nurse Manager Workload Workshop

Empower nurse managers to get out of survival mode. They clarify & prioritize the highest impact work and regain control of their day so they can focus on what matters most: their teams & patients

## RECENT CLIENTS

“
